

## **STATEMENT OF PURPOSE**

### **RS22241**

This legislation restores the ability of the State Department of Education to calculate support units to the nearest hundredth, rather than the nearest tenth. This ability was lost through the repeal of S 1184 and related laws through Proposition 3, which caused a reversion to Idaho's 2010 version of Section 33-1002. Calculating to the nearest hundredth allows funding to more accurately follow each student.

## **FISCAL NOTE**

No fiscal impact.
